## COMMISSIONERS' REPORT

---

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Strafford County herewith present the annual report of the County Farm and House of Correction, Clerk of the Superior Court, Sheriff, Jailor, Solicitor, County Physicians, Chaplain and Auditors for the year ending December 31, 1919.

### COUNTY FARM AND HOUSE OF CORRECTION

These institutions have been taken care of in the usual efficient manner by Supt. Hartford and his fellow workers. Little has been done in the line of permanent improvements as the appropriation would not allow of work of this character being done, but all necessary repairs have been taken care of so that the property would not depreciate in value. The crops this year were not up to what we would have liked, as the dry weather affected them as it did all Farmers in the County. The House of Correction has been closed and what prisoners have been received have been placed in the basement where the former quarters were. Owing to the scarcity of help and the high prices of labor, it has cost more for help to run the Farm than in previous years. The following figures will show the expenditures in every department for the year.

Dover Poor .....	\$4,584.48
Rochester Poor .....	2,326.41
Somersworth Poor .....	1,120.41
Durham Poor .....	383.00
Farmington Poor .....	612.50
Madbury Poor .....	19.71
New Durham Poor .....	25.00
Rollinsford Poor .....	125.39
Strafford Poor .....	10.00

---

Barrington Poor .....	126.00
Lee Poor .....	156.00
County Farm .....	43,844.11
Miscellaneous .....	6,691.45
Children .....	8,247.88
Jail .....	3,493.27
Register of Deeds .....	1,070.34
Register of Probate .....	263.60
Insane .....	347.60
Strafford County Farm Bureau .....	1,500.00
Aid for Blind .....	784.50
Courts .....	15,414.14

---

Total .....	\$91,146.20
-------------	-------------

In the support of Outside Poor and Children, there has been a decrease from what was expended last year. The Jail has not required very much repairs and is in very good condition. The Court house will be repaired the coming year so far as the appropriation of \$2,000.00 made by the delegation, will allow. In conclusion, we wish to express our appreciation of the many favors that have been extended to us as Commissioners and the loyal support given by all employees at the Farm and all officials of the County.

# Report of the Superintendent of Strafford County Farm and House of Correction

---

DOVER, N. H., January 1, 1920.

*To the Honorable Board of County Commissioners of Strafford County:—*

GENTLEMEN:—I herewith submit to you and the citizens of Strafford County my annual report as Superintendent of the Strafford County Farm and House of Correction for the year ending December 31, 1919.

In making my report for the year 1919, I am pleased to say that we have had a lesser number of patients than in previous years. The institution has been free from epidemics. The crops have been unusually good outside of the potatoes, which did not come up to last year. However, we will have more than we will use. On account of the high cost of materials and labor conditions, little has been done in the way of permanent improvements. Although we have had a lesser number of inmates, it has been impossible to keep the overhead expenses down to that of years past, but every dollar spent has been reasonable and necessary.

To all friends who have sent reading matter, gifts, etc., to the inmates, I extend sincere thanks. To the Dover City Mission and the Catholic Priests of Dover, to our physician, Dr. D. L. Stokes of Rochester, I thank you one and all for the faithful and painstaking discharge of your duties. I wish to make special mention to the Epworth League and City Mission who visited the farm December 28—about thirty in number—and gave the inmates each and every one a Christmas present and also an entertainment. I appreciate very much the kindness of Anna W. Wentworth, on the

above occasion, in presenting the County with the oil painting to be hung on the wall of the chapel.

To the employees who have contributed towards the comfort of the inmates and the success of the institution, I extend to you my deepest appreciation. To you, Messrs. Commissioners, I have only words of praise to contribute.

Respectfully submitted,

W. J. HARTFORD, *Superintendent.*

# REPORT OF THE DOVER CITY MISSION

---

*In Charge of Religious Services at the Strafford  
County Farm*

---

DOVER, N. H., February 2, 1920.

In the past year, we have found everything in very good condition. Every room and hallway in the building is clean and properly heated all over, and expressions of satisfaction are heard from everyone. No effort by the management has been spared to bring comfort to the inmates.

Religious services have been held by us on Sundays, when weather has permitted and roads have been passable, and an average of about fifteen have been in attendance. A special program was given on Christmas, and small Christmas gifts and candy were passed around to all. Good literature has also been distributed to the inmates during the year, which seems to be well appreciated by them.

Respectfully submitted,

DOVER CITY MISSION,

Per A. E. ISAACSON, *President*.
